

Dear Friend ,

We thank for buying the kata techink

Now you can implement as follows

First goto site called www.rapidworkers.com

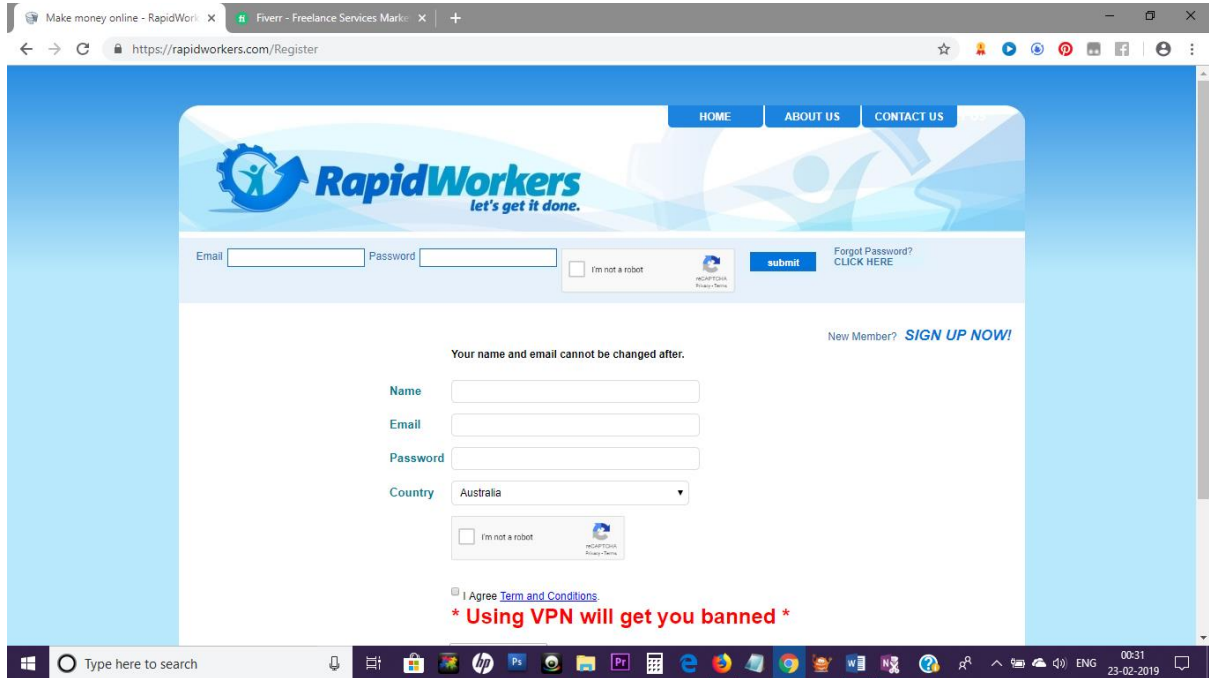

See the site below:

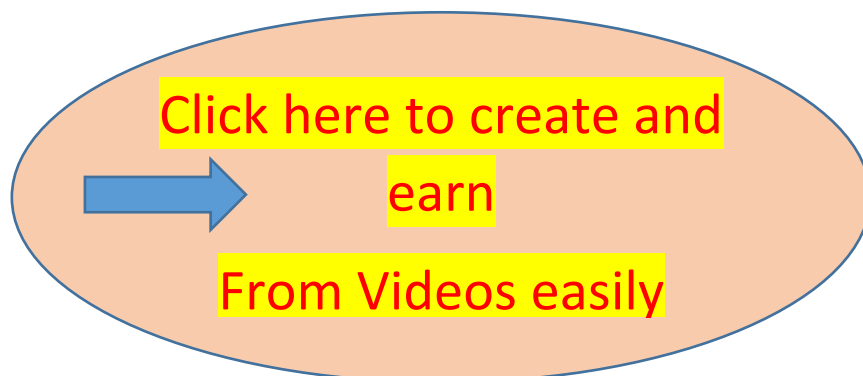

enrol with the site ..

Sign up as Employer here

Once signed in you can create task for people to do it....

Create task as shown below

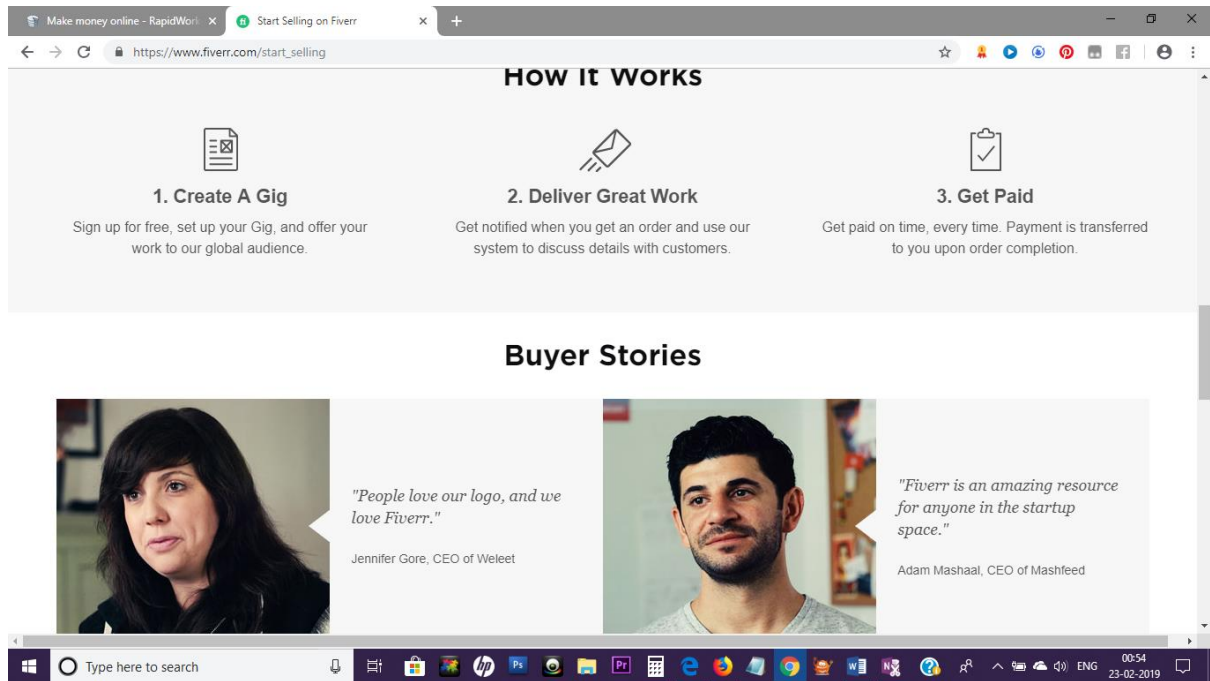

The screenshot shows the RapidWorkers website interface. On the left, there is a sidebar with various options for users, including 'Blog about your product', 'Post reviews to Websites & Blogs', 'Add you to Facebook', 'Become fan of your group', 'Follow you on Twitter', 'Digg your website', and 'and much more...'. Below this is a section for 'Workers' with instructions: 'Workers, sign up and...', 'Browser micro jobs', 'Select jobs you like', 'Finish tasks & submit proof', 'Earn money', and 'and much more...'. The main content area features a 'RapidWorkers ACTIVITY BOX' with a table of available tasks. A blue arrow points from the 'Workers' sidebar to the 'Available Tasks' table.
